65th ANNIVERSARY PAST TOTAL ATTENDANCE 70th ANNIVERSARY
 We are planning for 350 at a minimum and hope to exceed this by advertising to other industries, affiliated professions, new exhibitors and nonmembers across Virginia and through the surrounding states.

Greetings,

As you enjoy your summer and begin to think about 2019, I hope you will consider participating in the Virginia Water Well Association's 70th Anniversary Winter Conference. It will be here before we know it and we have been working hard to incorporate one-on-one time with attendees and exhibitors, creating more energy on the floor and providing ample opportunity for potential exhibitors like yourself. At this event, you will be able to showcase your biggest and best offerings in the latest equipment and technical support as we are in a spacious weatherproof facility in the heart of the Mid-Atlantic area.

This would also be a great time to bring new employees to see what our industry has to offer, and to start them on their way to beginning relationships with not only licensed Water Well System Providers but licensed Onsite Soil Evaluators, Geologists, Scientists, Realtors, and the local youth and young adults from neighboring schools.

Please book soon and reserve your space now.

Thank you ,

David Creason, VWVA President

COMMUNITY INVOLVEMENT

How do you change the perception of an industry? The future of any industry is unknown but the way to breathe life is to welcome the younger generations.

The Virginia Water Well Association has decided to invite the Fredericksburg and surrounding area schools to participate in our conference by creating 'Field Trips' through our exhibition hall during class time hours to help promote the industry as a viable and hands-on career. With the acceptance of this field trip opportunity, VWWA is hopeful that this will be the first step in establishing credibility not only with the vocational counselors and teachers but the

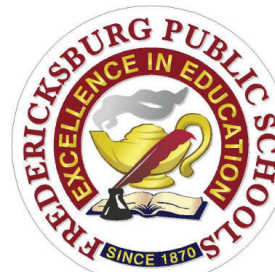

young minds looking to establish working careers.

We hope you will join us in preparing to showcase the variety of careers available in the groundwater industry as they walk the hall. Feel free to have designated items for the students and be open to going back to your roots and speak from your passion explaining the equipment on display, how the product is used or having on hand a short video.

As schools sign up, we will relay the information for your awareness.

ENTERTAINMENT

This year's entertainment will feature a daughter of the water well industry in Virginia and a rising country music star!

Celeste Kellogg is a CMA / Nashville Recording Artist. Her latest EP titled You & Me, charted on the iTunes Country Chart. She debuted two of her songs from the EP (Country Swagger and Someone To Call Me Baby) at 3rd and Lindsley in Nashville during the Live 4 Tay Benefit. Celeste was honored to share the stage with songwriters Wynn Varble, Dave Berg and Pat Alger. After her performance she was told "FANTASTIC". With the exception of a guitar lick in Country Swagger, Celeste wrote the entire EP. She acknowledges that performing with such amazing songwriters, was one of the highlights of her career.

2016 & 2017 have been exceptional years for Celeste. She is now the 2 time reigning Josie Music Awards Female Entertainer of The Year. The 2016 Awards show was held at the Schermerhorn Symphony Center in Nashville, TN. The later was held at Nissan Stadium in Nashville, TN.

In November of 2016 Celeste attended the Nashville Universe Awards held at the world famous Wildhorse Saloon. It was there that she performed, presented with Storme Warren of Siruis XM The Highway and took home the Rising Star of the Year Award.

2017 brought the continuation of

Celeste's anti-bullying school tour. To date she has spoken to over 90,000 students as well as to the Virginia School Board Association delivering her message "Don't Fuel Their Fire".

Celeste got her start early in church and school choirs and singing along with her Dad to Alabama, James Taylor and The Eagles. At the age of 12 she auditioned for a Disney Pop Group called RD7. It was there she opened for Miley Cyrus, The Jonas Brothers, Raven, The Cheetah Girls and Kelly Clarkson.

Later Celeste would go on to film an Independent movie titled Much Ado About Middle School, starring opposite of Bill Cobbs, Lee Meriwether and Blake Michael of the Disney Channel. The movie won 4 Dove Awards. Continuing her acting, Celeste would go on to have 5 call backs for the show Glee and offered a screen test as well as calls to audition for Nashville, Malibu Country and Hairspray Live, where another call back was asked for before giving the part to Ariana Grande. Where Celeste has been honored for acting opportunities her love has always remained in music, where she has opened for Scotty McCreery, Raelynn, Eric Paslay, Easton Corbin, Brett Eldridge, LeAnn Rimes, Jeffrey Steele and Cowboy Troy.

In 2018, Celeste will be filming her music video Country Swagger and staying on the road doing what she loves to do... performing and meeting country music fans.
