

VIRGINIA WATER WELL ASSOCIATION
SEMPER K9 WATER WELL

Early in April of this year, Amanda Baity - Co-Founder of Semper K9, approached the Virginia Water Well Association with the hope that we could provide support to their charitable program in the form of a water well. Scott Miller of Northern Virginia Drilling has agreed to install the well at no cost. In support of the construction of the well we are asking for In-Kind donations. This form will be used in accounting for the items and recognition of the program afterwards.
